

FOOD SAFETY POLICY

- It is the policy of Our Company to develop and provide products and services that are safe for consumption, as well as meet or exceed customer requirements and comply with all statutory and regulatory requirements. We accomplish this by adhering to our Food Safety Management System and operational methods that recognize product safety and customer satisfaction as our primary goals.
- We strive to continually improve the effectiveness of our Food Safety Management System and our commitment to customer satisfaction by monitoring our performance against our established objectives and through leadership that promotes employee involvement. This concept represents Our Company's commitment to provide safe products and to continually improve in order to better serve our growing and demanding customer base.
